Subject: Trip to your school

Dear Joshua,

I am still thrilled about the trip to your school. I think your teachers are cool, especially Mrs Hughes. She has a great sense of humour and can explain Maths very well. The food in your canteen, however, was pretty awful, I'm afraid. What I really liked was the school trip to Loch Ness because of the beautiful countryside. Too bad we did not spot the monster Nessie, though 😊. One thing I found quite strange about Scotland was the weather. Do you often get this mix of rain and sunshine that we had all the time during our trip?

Please write back,  
Christoph

### Part 2: Favourite Pet

I would like to have a dog but my parents would not let me have one. They keep saying that I would lose interest in the dog after a while and that they would then have to look after it. But they are wrong. First, I may not be good at tidying my room or helping in the house, but I would be prepared to be a responsible owner of a dog. Second, I would love to feed, pet and cuddle a dog. When you treat dogs right, they are very keen on making friends with you. Finally, as I like being outdoors in nature, I would not get tired of walking the dog, contrary to what my parents think.
